

# WE'VE JUST RECEIVED A MATCHING FUNDS GRANT

Your Gifts Can Go Farther...

A local Foundation has pledged to match every gift we receive to fund an expanded employment service and emergency aid to clients up to \$58000. Therefore, every dollar you give produces \$2 of benefit to our clients for a total of \$116,000. If you would like to give to this initiative, please note on your check that it is given to the "Matching Grant" fund. **We hope you'll join us! No gift is too small.**

The  
**Gracious  
PROMISE**  
Foundation

In 2008, our Employment Office has secured jobs for over 30 clients (177 since 2005). These jobs are integral to their success. Every month that each client works saves taxpayers \$1850. Through this program, we will work to expand our job placements from 65 per year to 130 per year and identify over 50 new employers.

We would also like to provide emergency assistance with rent and utilities for up to 100 families in the next year.

Finally, Grandma's House needs to complete foundation work in order to re-start the program.

- Shirley A. Miller
